

K-Love, which is often heard on FM translators is an important service to me and to the community. K-love supports wholesome values and family friendly programming. K-love has a positive impact on communities all across America.

In my area, K-love is heard on 92.1. Please do not force K-love off of the air; it is a valuable service to the community and is enriching many people's lives, including mine!

Thank you,
Megan Behrens
